EARLY SPRING | SPRING | SUMMER | LATE SUMMER 2024

THE FOUNDATION OF LINKSOUL...

Is to connect people to the soul of the game and all of its virtues. Our mission is to make exceptional clothing and accessories for the golfer and wherever the game takes them. It's a game for players of all levels and ages, where it cannot be learned too soon and it's never too late to begin. It is not a game for a specific gender, nor does it require an exact number of players; you can play with others or as a solitary endeavor.

The game is a common language that erases borders.

The truth is the game is not an easy one to master: There is no instant golf. It is essentially a martial art for transforming oneself over time to be a better person, both mentally and physically. Golf's embedded code of conduct serves as a resilient and shining example of how to treat one another on an even playing field. We are honored to support the game of golf and be a steward for what it brings to our communities.
