67 FIT GUIDE
Find the Perfect Fit for Your Style

With legacies like INVENTORS OF THE SWEATSHIRT™ and outfitting world class athletes for generations, Russell Athletic® has played an integral role in delivering high quality, authentic sportswear since 1902. With over 120 years of experience, we continue to design and create modern-day classics for the everyday athlete.

PLAYING OUR PART IN A MORE SUSTAINABLE FUTURE

As a garment manufacturer, we understand the responsibilities we have to our people as well as the environment. Our mission is to empower those seeking responsibly made imprints and we hope that the more you learn about our Fruitful Futures™ plan, the more confidence you'll have in making Russell Athletic® your garment of choice for all your decorating needs.

Meaningful change requires action and collaboration, which is why we continue to partner and engage with key stakeholders such as our suppliers, customers, non-governmental organizations (NGOs), industry associations and consumers. Below are some of the member organizations with which we partner.

Our Initiatives

PEOPLE-CENTRIC

Diversity & Inclusion: Foster a workplace where everyone is treated with respect and empowered to contribute on an equal basis.

Fair Compensation: Analyze wages for workers around the world.

Respectful Workplaces: Committed to respectful workplaces and upholding human and labor rights.

Threads of Change: Lift up our communities through donations of product, time and money.

PLANET-CONSCIOUS

Greenhouse Gases: Reduce our greenhouse gas emissions in line with climate science.

Energy: Increase use of renewables across our supply chain.

Water: Reduce the amount of water we use per pound of production.

Waste: Eliminate waste in our own operations.

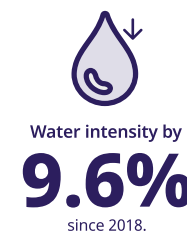

PRODUCT AUTHENTICITY

Product Safety: Certify all our fabrics to ensure chemical safety.

Transparency: Map all our supply chain back to raw materials.

Sustainable Sourcing: Source our raw materials sustainably.

2021 Highlights

87%
of our cotton is sourced sustainably in the U.S.

\$2.1M
total community investment.

44%
of global management and

53%
of promotions were female.

86%
of the products we sell are manufactured in our own facilities.

Achieved zero waste in our own operations for the
4th year
in a row.

9%
of global production certified to Oeko-Tex®.

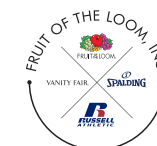

64%
renewable electricity.

With deep respect for the people who make our products and our planet that provides the materials to produce them, we have set goals to chart our course toward a more sustainable future. The result of these commitments is Fruitful Futures™, our third annual sustainability report.

In it, we share our public commitments to enrich the lives of our consumers, not only through everyday comfort, but through actions we take to create fruitful futures for the generations ahead. This work spans three pillars: People-Centric, Planet-Conscious and Product Authenticity.

Creating a more fruitful future for our families, employees and consumers has never been more critical. Together, we are using the power of our values to run our business in ways that protect both the planet and the people around it — through the products we make and the lives we enrich.

Our heritage was built on producing top quality fleece. Since 1926, we've prided ourselves on producing styles with superior construction that delivers on comfort and durability.

Our Dri-Power® Collection is no exception. Made of three-end fleece that combines softness and durability, and moisture-wicking technology that maintains dryness and freshness for long-lasting comfort. Serious comfort is what sets **RUSSELL ATHLETIC®** styles apart from basic fleece.
