## Built for Adventure

Spring 2024 Bags & Accessories

# STORMTECH®

nurtured by nature

## Built for Adventure

Inspired by the rugged landscapes of the Pacific Northwest and refined in Vancouver's cool, urban cityscape, STORMTECH Bags and Accessories Collection has outfitted explorers and seekers for extreme, unpredictable weather and conditions since 1977. Fueled by our passion for the outdoors, we build durable, functional, contemporary bags and deliver quality and innovation year after year.

At STORMTECH, we believe in environmental stewardship, with technologies that lessen our impact on our natural environment. STORMTECH creates timeless, high-quality products designed to extend product life and minimize environmental impact. We back up our commitment to quality workmanship with a 5-year warranty, and have built out a sustainable product care program to extend product life and performance.

Sustainable practices are ever-evolving, and we are committed to minimizing our environmental impact and enhancing sustainable practices through responsible design, sourcing, and daily business operations. We also support youth through our 1:1 initiative, and support worker health and safety at all of our factories and office locations.

STORMTECH is a one-stop, full-service partner uniquely structured for the corporate marketplace, offering a comprehensive array of in-house decoration services, a robust e-commerce website and a highly-skilled customer service team to support and fulfill your orders.

# SUSTAINABLE DESIGN &

Sustainable practices are ever evolving. We are committed to minimizing our environmental impact and enhancing sustainable practices through responsible design, sourcing, and daily business operations.

## PRODUCTS BUILT TO LAST

STORMTECH creates timeless, high-quality products designed to extend product life and minimize environmental impact. We back up our commitment to quality workmanship with a 5 year warranty, and have built out a sustainable product care program to extend product life and performance.

## PRODUCT TESTING

At STORMTECH, we take pride in ensuring our products are tested and inspected at the highest level of performance.

Our products are tested through third party accredited testing laboratories according to the American Association of Textile Chemists and Colourists (AATCC), American Society for Testing and Materials (ASTM), and the American Apparel & Footwear Association (AAFA), among others.

## PFC FREE AND PFAS COMPLIANT

As an outdoor clothing brand that believes we're at our best in nature, STORMTECH has partnered with fabric mills and garment factories to find alternative, breathable water repellent treatments that are PFC-Free without sacrificing the performance of our materials.

With the introduction of our Fall 2023 collection, all materials used in production are now also PFAS compliant.

## PRODUCT SAFETY

At STORMTECH we maintain a stringent Restricted Substances List (RSL) based on global standards and laws, and a corresponding testing protocol that ensures our products meet these standards. The RSL protocol is following various substance restricting laws and regulations such as Canadian Consumer Product Safety Act (CCPSA), Consumer Product Safety Improvement Act (CPSIA), Federal Hazardous Substances Act (FHSA), California's Proposition 65, AAFA Restricted Substance List (RSL).

## INCREASED USE OF SUSTAINABLE MATERIALS

Sourcing recycled and sustainable materials for products is a top priority in our daily business operations and product development. This dedication to sustainable practices is reflected in every new product we develop. Our focus on recycled content ensures that our garments not only meet high-quality standards but also contribute to a more environmentally conscious industry.

## ENVIRONMENTAL STEWARDSHIP

STORMTECH is committed to reducing the environmental impact of our operations. We encourage our business partners to comply with all applicable environmental laws and regulations in the country of operation and encourage our whole supply chain to reduce the use of natural resources, to re-use where feasible, and to recycle whenever is possible.

# SOCIAL RESPONSIBILITY

STORMTECH's Corporate Social Responsibility focuses on responsible sourcing practices, product safety, environmental stewardship, and giving back to local community organizations.

## RESPONSIBLE SOURCING

STORMTECH is firmly committed to selling products that are manufactured under legal, safe and fair working conditions in factories where employees are treated fairly.

Our Ethical Sourcing Policy is designed to ensure that our global sourcing supply chain operates in compliance with all applicable laws governing child labor, forced labor, wages, benefits, working hours, harassment, health and safety & factory security.

## PROTECTING OUR OCEANS

STORMTECH is committed to the reduction of fiber fragmentation from textiles into the natural environment by 2030, and the reduction of microfibers and microplastics contributing to water pollution. Implementing stronger, low-shedding polyester fleece standards can significantly reduce the amount of microfibers and microplastic contributing to ocean pollution.

## PROTECTING OUR FORESTS

STORMTECH is committed to the Forest Stewardship Council (FSC) of sustainable sourcing of wood-based fibers, cellulosic fabrics, and paper products in a way that addresses the major environmental impacts associated with deforestation and forests degradation. All hang tags, cartons, and packaging are sourced from Forest Stewardship Council (FSC) certified forest, recycled content, or other controlled wood sources.

## BIODEGRADABLE PACKAGING

Since Spring 2022 all products are packaged with sustainable materials including Oxo-biodegradable bags and FSC® certified cartons. All hang tags and packaging materials are also produced using recycled biodegradable inputs.

## PRIORITIZING ANIMAL WELFARE

All STORMTECH products are feather-free and fur-free. Our Animal Derived Materials policy further outlines the restrictions on use of materials sourced from endangered animal habitats. Our guiding principles are the five freedoms of animal welfare as underlined by the World Organization for Animal Health <https://www.oie.int/animal-welfare/>

FEATHERFREE  
THERMAL SHELL

## CHARITABLE GIVING

We commit 1% of our total global sales to charitable initiatives focused on outdoor exploration and environmental stewardship through our 1:1 initiative. That means every STORMTECH purchase further empowers our partner organizations to make the world a better place.

Through the Pure Earth Initiative, we share our passion for outdoor experiences by donating our products to youth organizations in order to cultivate a love, respect, and passion for the outdoors.

## STORMTECH BAGS & PACKS

---

# WATERPROOF GEAR BAGS

Designed to be adaptable and spontaneous - STORMTECH waterproof gear bags feature a large main zippered opening, generous pocket space, large interior zip mesh organizer compartments, and space for all your essential items. Swap to a backpack by adjusting the ergonomic shoulder straps, or grab the side carrying handles when passing through airport security. These packs also feature compression straps to keep contents from shifting in transit.

# NAUTILUS WATERPROOF DUFFEL 110

GBX-1L

This extra large-capacity gear bag is designed for maximum performance with less weight. The Nautilus Waterproof Duffel is made with reinforced 100% waterproof fabric and is durable with minimal bulk. This convertible duffel and backpack has strategically placed handles for every carry application and a full-size zippered shoe pocket. Reinforced nylon panels at the top and bottom are designed to resist abrasion and extend the life of this waterproof duffel.

## Convertible Duffel and Backpack

Conveniently switch between carrying options

### External Zippered Boot Storage Pocket

Provides quick in-and-out convenience for boots and wet clothing

## STORMTECH BAGS & PACKS

---

# WATERPROOF PACKS

A bag is both an accessory and a necessary practicality. STORMTECH has addressed this dual function by creating an urban-ready range that looks slick and stylish while still offering smart, ergonomic functionality. Move fluidly through the city, knowing that whether for work or play, all you need is on your back. STORMTECH waterproof packs are designed to keep contents dry and safe, while addressing the need for smart, ergonomic functionality.

# NORSEMAN ROLL TOP PACK

RTB-1

You can take on anything with the weather resistant Norseman Roll Top Pack. It's robust, yet lightweight. Organized, yet versatile. From the office to the trailhead, the zippered main compartment facilitates easy organization and access, while the roll top closure forms a tight protective seal. Ensconced in the laptop sleeve, your computer is protected from hard impacts. You'll be in your element, while this pack protects your belongings from them.

## STORMTECH BAGS & PACKS

---

# COMPUTER PACKS

A pack is more than just a pack; it's both an accessory and a necessary practicality. STORMTECH has addressed this dual function by creating an urban-ready range that looks slick and stylish while still offering smart, ergonomic functionality. Move fluidly through the city, knowing that whether for work or play, all you need is right behind you.

## MEDUSA BACKPACK

LBR-1

The digital age demands dynamic solutions, and the Medusa Backpack is precisely that. Clean lines combine with versatility. This design allows you to effortlessly transform from an over-the-shoulder-attaché to a backpack as you move through city centers and deal-cutting business lounges. All the while, your laptop is held securely in a suspended sleeve. The Medusa Backpack also features an easy-access flapped-lid opening with magnetic closures.

### Additional Features

# NEW DALLAS DISTRIBUTION CENTER NOW FULLY STOCKED

To support our continued sales growth in the United States, we've significantly increased the amount of inventory carried out of our **NEW Dallas Distribution Center**.

This location now houses over **300 of our best-selling styles** and will serve as our primary distribution center for U.S. orders this season.

This state-of-the-art facility will provide faster and more efficient freight solutions to the majority of our U.S. customers. To learn more, we encourage you to review our **Dallas Distribution Center FAQ** online.

## SUBSIDIZED FREIGHT RATE

<\$300 – GROUND	\$20.00	>\$300 – GROUND	FREE
<\$300 – EXPEDITED	\$30.00	>\$300 – EXPEDITED	5%
<\$300 – AIR	\$40.00	>\$300 – AIR	7%

## ■ FREE FREIGHT

No cost ground freight anywhere in North America for orders over \$300.

## ■ SAME DAY SHIPPING

Most orders confirmed before cut off time will be shipped out that same day.

- Notes:
1. All orders are shipped duty free from our Dallas, Vancouver, and Toronto distribution centers.
  2. Subsidized Freight Rates are based on gross order value - excluding decoration charges and applicable discounts.
  3. Transit times are estimated based on major city center destinations when shipped from our Dallas distribution center. Additional transit time may apply to remote areas, or on larger LTL shipments.
  4. STORMTECH is not liable for any delays in delivery beyond our control including but not limited to weather, natural catastrophes, or labor stoppages.
  5. Rates above exclude Alaska, Puerto Rico, and Hawaii. Please call for a quote when shipping to these locations.
  6. Transit times may vary based on distribution point; Dallas D/C or Vancouver D/C.

\* All orders will be shipped via STORMTECH's carrier of choice, prepaid to the customer, unless otherwise requested.  
If requested to use the customer's carrier of choice the above subsidized freight rates will not apply.
