YETI

In 2006, YETI Coolers was founded with a simple mission: build the cooler you'd use every day if it existed.

One that was built for the serious outdoor enthusiast rather than for the mass-discount retailers. One that could take the abuse we knew we'd put it through out in the field and on the water. One that simply wouldn't break. We decided early on that product innovation would come from necessity and firsthand experience – not from market research and data analysis. Today, YETI products perform when it matters most – whether that be an excursion into the remote Alaskan wilderness, chasing redfish on the Gulf coast, or just getting together with friends in the backyard.

Documents Required to Place a YETI Customized Order

- Purchase Order (PDF, Excel, or Word)
- Artwork file (PNG, JPG, GIF, WEBP, SVG and BMP)

Do I need to pre-pay for my order?

- Yes, all custom orders must be pre-paid in full before production begins.

Where is the logo placed?

- The logo is always placed on the same side as the YETI embossed logo.
- There is an additional \$5 charge to have both sides marked.

Is color an option or just black for the logo?

- YETI offer's Black laser marking on the stainless line of drinkware.
- For Duracoat color options, YETI removes the color coating on the cup to reveal your logo through the stainless steel beneath.

Are seasonal colors available?

- Yes, please contact your sales rep for details on current seasonal colors and availability.

What is the return policy?

- There are no returns.

What is the warranty on customized drinkware products?

- All custom YETIs come with the Rambler 5-year limited warranty.

What is the lead time?

- 4 weeks, after payment and proof approval, availability depending. This can also fluctuate across different seasons.

Is there a minimum quantity?

- A minimum of 48 units must be ordered for any customized drinkware order, in case pack quantities.
- Case packs are 6 units for all items except the 26 oz and 36 oz bottles which are 4 units.
- Softside coolers are 10 units minimum, Hardside coolers are 50 units minimum

Sales Tax?

- Sales tax applies to all orders shipped to: AL, HI, MD, MS, MO, PA & TN regardless of resale tax certificate. YETI does not accept 3rd party resale tax certificates.
- Sales tax applies to all orders shipped to: CA, CO, IL, MA & TX unless you have a resale tax certificate in these states.

How is my order shipped?

- Orders for 252 units or less will ship via UPS Ground. Orders over 252 units will ship palletized. If you cannot accept a palletized shipment, there will be a freight charge from Denver, CO.
- We currently only ship to the lower 48 states in the US directly from YETI. If the shipment is going to AK or HI, we can only ship on your UPS FedEx account. We are unable to ship to PO, APO or FPO boxes. Please provide a physical shipping address.
